

# Parents of Preschoolers 2022-2023

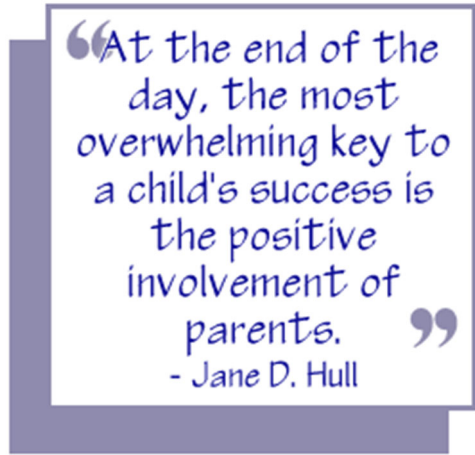

As a "School Family," the Director, teachers, parents, grandparents, aunts/uncles, special family friends are all included in classroom celebrations, special events, and holiday programs. We all know that parental involvement within their child(ren)'s school enriches relationships, positively impacts students and teachers, and ensures the success of school events.

I am willing to volunteer my time in the following areas:  
(✓ your choice)

- ◇ **Leader and Co-Leader for the POP group.** (Think PTA President & Vice-President)
- ◇ **Parent Representative from each class on the Preschool Board.** See KUMCP Calendar
- ◇ **Room Parents:** Assist teachers with organizing, communicating, and volunteering in the classrooms for events as posted.
- ◇ **Staff Appreciation.** Someone that will work with Room parents to organize acts of kindness throughout the year as an outward sign of appreciation for all that the staff does for our children.
- ◇ **Teacher Appreciation Week:** Organize class families to provide breakfast, lunch, gifts during Teacher Appreciation Week in May of 2023.
- ◇ **Special Events:** Show up to help set up, serve, clean up after Preschool events.
- ◇ **Ground Keepers:** Our Outdoor Classroom spaces need TLC. You would help keep the plants pruned, weeds at bay, flowers updated, furniture clean.
- ◇ **Sunshine Committee:** Help provide meals to family with sick loved ones or new baby; coordinate transportation if needed.
- ◇ **Substitute**

Other ways you can volunteer:
